strategies. A strategy is the grossly misfired lens through which the public views the presidency.

WILLIAM R. COOPER: A number of other foreign policy disasters. The
number of other foreign policy disasters.

The strategy was to play the role of a peacemaker, that is, to be a 'good guy.' The strategy was to play the role of a peacemaker, that is, to be a 'good guy.' The strategy was to play the role of a peacemaker, that is, to be a 'good guy.' The strategy was to play the role of a peacemaker, that is, to be a 'good guy.' The strategy was to play the role of a peacemaker, that is, to be a 'good guy.' The strategy was to play the role of a peacemaker, that is, to be a 'good guy.' The strategy was to play the role of a peacemaker, that is, to be a 'good guy.' The strategy was to play the role of a peacemaker, that is, to be a 'good guy.'
