"Aren't you cold, Your Holiness?"

"Ah, yes, of course."

"Well, yes, of course."

"I mean, you know, the weather is quite cold today, and I was thinking of wrapping up."

"Yes, I suppose so."

"But, you know, I've been out in the cold all day, and I was wondering if you would like some warm food."

"Yes, of course."

"I know it's not much, but I thought it might help."

"Thank you, I appreciate it."

"And, you know, I was hoping to ask you a question."

"A question? What is it?"

"Yes, about the weather. I was wondering if you could tell me more about the weather here."

"Oh, the weather here? Well, it's quite cold and windy today."

"Yes, I know. I was wondering if there are any particular weather patterns here that I should be aware of."

"Ah, yes, there are. It's quite changeable. One moment it can be sunny and warm, and the next it can be snowy and freezing."

"That sounds quite challenging."

"Yes, it can be. But, you know, it's all part of the experience."

"I see."

"Well, I think we should probably wrap up and get inside. It's quite cold out here."

"Yes, I agree."

"Thank you for your company today."

"You're welcome."
